THE DISTRICT

The Fort Sage Unified School District is a Transitional Kindergarten through 12th grade school district. Fort Sage Unified School District will be transitioning to a district with an emphasis on Career and Technical Education to correlate to the needs of the 21st Century. The District consists of four schools: Sierra Primary (TK–6), Herlong Jr. High (7–8), Herlong High School (9–12) and Mt. Lassen Charter School (K-12). The middle school and comprehensive high school are located on the same campus. The district serves a unique population and blue-collar community in rural California and the southern portion of Lassen County. The two largest employers are the Sierra Army Depot and the Federal Corrections Facility.

The District seeks to provide encouragement and modeling, authentic teaching, engaging curriculum in a safe environment, while understanding the changes and challenges of the world outside our school community.

THE COMMUNITY

Herlong, CA is located 50 miles north of Reno, NV and 45 miles south of Susanville, CA with a population of roughly 300. The terrain is high desert at an elevation of 4,114 feet.

There is an abundance of farmland and open space. Outdoor enthusiasts will have many activities to choose from in Lassen County and beyond, or they may just wish to live on acreage and have their own homestead. It is all possible in the Herlong area. It is sunny almost all the time! There are four distinct seasons.

Surrounding communities are Doyle to the south, Chilcoot/Vinton to the east (Sierra County), Milford, Janesville and Susanville to the north. Lake Tahoe is a two-hour drive away. Lake Almanor is about an hour and a half away. Hwy 80 is only about an hour away, so it is a gateway for road trip explorations. Herlong is also close to the Oregon border. The closest International airport is located in Reno and is an easy drive.

There are two major sources of employment in Herlong: The Federal prison (FCI Herlong) and the Sierra Army Depot. FCI is a medium to low security facility. Sierra Army Depot is designated by the Secretary of the Army as the Center for Industrial Technical Excellence for all Petroleum and Water Distribution Systems. Employees live in Herlong, Reno, Susanville and the surrounding areas. Because the Fort Sage USD communities are small, people tend to be quite friendly and helpful. Everyone will know your name here.
