FORT SAGE UNIFIED RE-ENTRY

PLAN:

There was discussion regarding the current Re-Entry Plan draft. The Board was asked by Amy Owens and Kim Dieter to table the item due to updated information being released, the need for bargaining to take place, and further input needing to be provided. Superintendent Bonn emphasized the need to approve a plan well before the start of school to provide time for implementation and communication with families and staff. Michelle Beckett also voiced concern that a plan be approved to allow time to prepare before the start of school, and registration is happening now. County Superintendent of Schools Patty Gunderson offered to provide additional Re-Entry Plans for guidance and reassured the Board that other local School Districts are still working on their plans as well. Superintendent Bonn requested a counter-plan from the California Federation of Teachers (CFT) Union. Erinn Reed moved to table the item and it was decided after further discussion that a special meeting would be held to review and approve a Re-Entry Plan, to be scheduled for a date after the July 30, 2020 Special Meeting.
