 Herlong, CA 96113

The Board of Trustees represents the people of the Fort Sage Unified School District as the elected body created to determine, establish and uphold the educational policies of the District. In this capacity, the Board functions under the laws of the State of California, but is free to plan for an educational program tailored to both the needs and resources of the communities served. The following information is provided to assist the public in understanding the Board's proceedings and to participate in those proceedings. The Board meeting is a meeting of the Board in public. The public is welcome and encouraged to participate.

Documents

Documents provided to a majority of the Governing Board regarding an open session item on this agenda will be made available for public inspection in the District Office located at 100 D.S. Hall Street, Herlong, California during normal business hours.

Addressing the Board

You may speak on a matter during the time reserved for public comment, after being recognized by the President. The Board will take no action on the matter at this meeting. You may speak on an item on the agenda when that item is being discussed, after being recognized by the President. When there are action items, the Board will make a

motion to approve/disapprove an item, and then open the item for Board discussion. At this time the President will normally recognize those members of the audience who wish to comment. The Board appreciates restricting comments to new ideas or concerns; each comment, once made, should not be repeated by another speaker. The Board is not required to respond to comments.

Complaints

According to district policy # BP 1312.1; complaints are to be addressed by first speaking with the person directly involved. If this does not resolve the issue, the complaint should be submitted in writing to the Superintendent. The Superintendent will investigate and respond in writing or by a phone call. If the issue is still not resolved, a written request for a hearing by the Board may be submitted.

Regular Session

In order to address the Board, please wait for recognition by the President. Speakers are expected to be courteous and to avoid any remarks that reflect adversely on the character or motives of any person or on his or her race, religion, or political or economic views. The Board will hear public testimony on any given topic for a maximum of three (3) minutes per person, twenty (20) minutes per

topic. The Board may, by consensus and at its discretion, extend this time limit.

Closed Session

While school board meetings must be open to the public, California law provides for closed sessions which are not open to the public for matters including: when the Board is considering expulsions, suspensions, or disciplinary actions in connection with any pupil, the appointment, employment or dismissal of a public officer or employee, hearing complaints or charges against a public officer or employee, or is discussing aspects of negotiations with employee units or the District's Legal Counsel.
