Addressing the Board

You may speak on a matter during the time reserved for public comment, after being recognized by the President. The Board will take no action on the matter at this meeting. You may speak on an item on the agenda when that item is being discussed, after being recognized by the President. When there are action items, the Board will make a

motion to approve/disapprove an item, and then open the item for Board discussion. At this time the President will normally recognize those members of the audience who wish to comment. The Board appreciates restricting comments to new ideas or concerns; each comment, once made, should not be repeated by another speaker. The Board is not required to respond to comments.

Complaints

According to district policy # BP 1312.1; complaints are to be addressed by first speaking with the person directly involved. If the issue is still not resolved, a written request for a hearing by the Board may be submitted.
