Mt Lassen Charter School
2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview	By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.
	For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/
	For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/
	For additional information about the school, parents/guardians and community members should contact the school principal or the district office.
DataQuest	DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).
California School Dashboard	The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
Internet Access	Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Mission:
Mt Lassen Charter (MLCS) is a TK-12 school providing students an individualized, academically rigorous course of study using an independent study model. Custom-designed instructional strategies capitalize on each student's strength and learning style.

Director's Message:
Mt. Lassen Charter School is a district dependent, independent study, public charter school. All educational resources are provided at no cost to students. Students, including unduplicated students and students with exceptional needs, are supported with one-on-one tutoring, small group support, small classes, and high school credit recovery support. Our school is unique in that we personalize our students' educational choices and offer a variety of instructional options and classes that are tailored to each student's needs and interests. Mt. Lassen Charter School also offers blended instructional strategies. Students receive direct instruction from teachers, have access to online classes including A - G courses, CTE classes, and the opportunity to take college course work at Lassen Community College and California State University, Chico.

Mt Lassen Charter has 2 locations, one in Susanville for grades TK-8 and another in Herlong for grades 9-12. Both sites are fully equipped with a computer lab and classroom(s). Each student's learning experience is customized by their teacher to maximize student engagement and success. This model benefits high-achieving students wishing to work ahead of a traditional classroom, as well as those students needing special individualized attention. We strive to have a strong collaborative partnership with each student and parent/families in the school. We exist to serve every student and offer meaningful academic support to the family.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp

2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	6.26
Intern Credential Holders Properly Assigned	0
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	0
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	0
Unknown	0
Total Teaching Positions	6.26

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Each pupil in the school district must have access to sufficient textbooks and instructional materials in Reading/Language Arts, Mathematics, Science, and History-Social Science. Textbooks are aligned to content standards and consistent with the content and cycles of the curriculum framework adopted by the State Board of Education. Common Core textbooks in Reading/Language Arts and Mathematics were adopted in 2015/2016. Pearson, History-Social Science for grades K-12 was adopted for the 2018/2019 school year. HMH California Dimensions NGSS for grades k-8 was adopted for the 2019/2020 school year. Mt. Lassen Charter utilizes a wide variety of curriculum in order to provide personalized learning which is tailored to each student's academic abilities and interests.

School Facility Conditions and Planned Improvements

Mt. Lassen Charter School consists of one main site located in Susanville, CA.

The Susanville site is in a professional setting in good repair, located in a recently remodeled building. The entrance opens directly into a large main room, offering a computer lab and tutoring lab, with teacher's and secretary's stations. Adjacent to the main tutoring lab is an area for computers and supplemental materials. There is one student restroom and one staff restroom. An administrative office and teacher workstation is in the back of the building, along with three conference rooms, one dedicated to Special Ed and Intervention.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only
Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options
Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative testing suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

For any 2020-2021 data cells with N/T values indicate that this school did not test students using the CAASPP Science.

2020-21 Career Technical Education Programs

Mt. Lassen Charter School does not conduct a formal Career Technical Education Program on site. High school students take advantage of CTE course offerings through Lassen Community College and Edgenuity. Sequenced/articulated classes that students frequently enroll in at Lassen Community College include welding, auto shop, and nursing. Additionally students have access to visual and performing arts classes available through vendors contracted by Mt Lassen Charter School.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Parental Involvement:

Parental involvement is always welcomed and encouraged. Parents are encouraged to be actively involved in the education of their children, and to take interest in their daily course work. Parents are invited to contact Mt Lassen Charter to inquire about ways to become actively involved with school.

2020-2021 was a challenging year as it related to conducting face-to-face meetings with stakeholders at school and within the community due to the uncertainty surrounding COVID-19, our informal approach to engaging staff, students and parents fell short. Teacher's attempted to develop alternate systems to communicate with students and families, through email, text and virtual opportunities, to navigate the uncertainty surrounding COVID-19 and meeting in person. The 2020-21 school year highlighted MLCS' need to establish a system of stakeholder engagement that includes surveys, meetings, and other events to cultivate a meaningful exchange of ideas, concerns, perspectives and opportunities.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.00	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Mt. Lassen Charter School has one main site, which is kept in good repair with on-going maintenance and upkeep. The site has a single unlocked entrance to safely monitor all visitors. There are multiple exits which are kept locked to the outside for safety. The site is ADA accessible. Fire extinguishers are easily accessible and fire prevention/retardation precautions are taken. Fire and security alarms are in place.

Policies are in place to ensure that all students, staff, and visitors are safe. Students are supervised by certificated staff at all times.

Training at in-service days, prior to the beginning of each school year, includes safety training. The school district contracts with Keenan & Associates, to provide updated, online training, on all aspects of maintaining a safe school. All teaching and office staff are certified in CPR and first aid. A crisis/evacuation plan is kept in each classroom and common areas.

It is Mt Lassen Charter School's goal to create a physically, socially, and emotionally safe learning environment for all students, staff, and parents. Mt Lassen Charter conducts fire, and disaster drills as required. Staff members participate in on-going training in disaster preparedness. Diagrams are posted in each classroom for emergency evacuation. Lock down procedures are consistent with other schools in Lassen County.

The school district contracts with Lassen County Probation Department for attendance monitoring. Mt Lassen Charter has a close relationships with Lassen County's Sheriff Department, Child Protective Services, Susanville Police Department and the Susanville Fire Department. The fire department and local law enforcement agencies have provided on-site in-service to train the Mt. Lassen Charter School staff on relevant school safety and preparedness scenarios.

2020-21 Types of Services Funded

Fort Sage Unified School District uses LCFF dollars for the day to day operations of the district and each site. This includes teacher, administrative, and support staff salaries and benefits. The district also uses LCFF dollars to help support additional, optional, and special programs including athletics, extra-curricular events, special education, remedial programs, transportation, and cafeteria programs.

MLCS receives funds though Local Control Funding Formula as well. These monies are used for the day to day activities of the school, which includes salaries, textbooks, lease, and utilities.   LCFF is also used for supplemental supplies and activities and allows the Charter School to fund programs and activities not always available at traditional schools. MLCS must spend 80% of revenues on instructional based items; teacher salaries, textbooks, instructional supplies and programs. Charter school expenditures are detailed in the LCAP.

MLCS is a district dependent Independent Study based public Charter School.

Professional Development

Staff development is a crucial part of our school plan. Our teachers attended professional development in areas such as California common core standards in Language Arts, Math, Social Studies and Science, as well as the use of technology in the classroom and other topics that teachers select to align with the needs of our students as determined by assessment data and observations. Mt. Lassen Charter School staff participate in weekly staff development meetings. Most meetings focus on staff collaboration and sharing of best practices for teaching the core subjects. Teachers are supported through in-class coaching by peers and teacher-principal meetings.

This table displays the number of school days dedicated to staff development and continuous improvement.
