## 2021 School Accountability Report Card

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/)

For more information about the LCFF or the LCAP, see the CDE LCFF web page at [www.cde.ca.gov/fg/aa/lc/](http://www.cde.ca.gov/fg/aa/lc/)

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) [www.caschooldashboard.org/](http://www.caschooldashboard.org/) reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2021-22 School Overview

Sierra Primary is a small, rural elementary school in southern Lassen County primarily serving the communities of Doyle and Herlong. With average class size under 20, and school-wide enrollment averaging 60, individualized student attention is a priority. Sierra Primary is a school-wide Title 1 school which is able to offer educational assistance in many academic areas including English Language Arts and Math. The District is in the initial phases of implementing a new MTSS (Multi-Tiered System of Support) process that focuses on meeting the needs of all students to support them in becoming successful students and citizens who are able to positively contribute to society. The school is providing instruction aligned with the Common Core State Standards and has developed a Standard-Based grading system. New curriculum and resources have been purchased and staff training is ongoing. Sierra Primary is also in the initial process of developing a PBIS (Positive Behavioral Interventions and Supports) school program meaning students are taught appropriate behavior and appropriate behavior is supported in all areas of the school.

The school, working through the Professional Learning Community (PLC) model, is working with the Lassen County Office of Education for Differentiated Assistance to improve certain areas of weaknesses and identifying the root issues to improve the climate and culture of the school to create a positive learning experience for all students. We have implemented social-emotional learning strategies and are focused on teaching the highly leveraged standards through quality Tier-1 Instruction that is engaging for all students to learn.

District Mission Statement: We endeavor to help students become lifelong learners, gaining essential skills to graduate from high school and develop intellectual character for good citizenship.

District Vision Statement: The relentless pursuit of anything that works in the life of a child.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

## 2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
<b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b>	
<b>Intern Credential Holders Properly Assigned</b>	
<b>Teachers Without Credentials and Misassignments (“ineffective” under ESSA)</b>	
<b>Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)</b>	
<b>Unknown</b>	
<b>Total Teaching Positions</b>	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2019-20 Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	

## 2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Each pupil in the District must have access to sufficient textbooks and instructional materials in reading/language arts, mathematics, science, and history-social science. Textbooks are aligned to content standards and consistent with the content and cycles of the curriculum framework adopted by the State Board of Education.

## School Facility Conditions and Planned Improvements

The following information is taken from the Williams Act Inspection Report conducted by Lassen County Office of Education on August 29, 2019

The Sierra Primary School building is over 45 years old. With regular maintenance and deferred maintenance projects, the building remains in poor to fair condition. Sierra Primary consists of regular education classrooms, 1 special education classroom, and one Title I classroom that also serves as a computer lab. There is one library, a staff workroom, front office and other administration offices, and a cafeteria/multi-purpose room on site. The playground consists of a newly sealed asphalt area for basketball, four square, and other organized sports; a couple large grassy areas for soccer and games; and sandy areas with swings, playground equipment and volleyball. New fitness and PE equipment was installed on the playground in August 2014.

Each classroom and office at Sierra Primary has its own telephone and internet access, both wired and wireless. Each student is issued a Chromebook for 1:1 technology for 21st Century Skills acquisition. There were NOT sufficient standards aligned instructional materials available for student use at all grade levels in the four core subject areas monitored, English Language Arts, Mathematics, History-Social Science, and Science. Insufficient materials were in the areas of History-Social Science and Science in several of the elementary classrooms.

One full time Head of Maintenance and two full time custodians keep all sites in the District clean and in good working order and repair.

System Inspected	Rate Good	Rate Fair	Rate Poor	Repair Needed and Action Taken or Planned
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer			X	Teachers' lounge- the vents are covered with plastic. Pipe insulation is deteriorating on the west side of the building nearest the playground.
<b>Interior:</b> Interior Surfaces			X	Kitchen/Cafeteria: the tile flooring underneath the sinks and counter in the kitchen needs to be cleaned and repaired or replaced. The mats in the kitchen need to be cleaned. Mops should be cleaned and stored in an appropriate place away from food preparation. The cove base in the cafeteria needs to be cleaned and repaired in some areas. The tile flooring in the cafeteria near doors and in corners needs to be cleaned. The front door to the cafeteria needs to be replaced, the right-side door is missing and is covered with a piece of plywood. Hallways: The carpet in the hallways is showing significant wear; rips, tears, and buckles were noted. Some tears are covered with tape. It appears that several areas of carpet have been replaced with dissimilar carpet remnants. Classrooms: The carpeting in all classrooms is showing wear, rips and tears are noticeable, some are covered with duct tape. Sub-flooring can be seen in some areas. Stained ceiling tiles and broken light covers need to be repaired or

Students who use the toilets in the classroom do not have a place to wash their hands. The windows in the library need to be cleaned.</p> <p>Nurse's Office/Teacher's Lounge: the ceiling in the nurse's office and adjoining storage room needs repair. The ceiling tiles are stained and falling apart, dried water stains running down the wall and window may indicate a leak. Insulation is hanging down between the wall and ceiling panels. There is a water stain on the wall in the teacher's lounge. The carpet is showing significant wear.</p>
<b>Cleanliness:</b> Overall Cleanliness, Pest/Vermin Infestation		X	<p>Pest inspection occurs regularly. Inspection and removal of vermin traps needs to be completed regularly. See comments in Interior, Restrooms/Fountains sections for cleanliness compliance issues.</p>
<b>Electrical</b>		X	<p>Room- light panels are cracked. Rooms 2 and 4 have computer and phone wires that need to be tied to reduce trip hazards. Wires in hallways, both used and unused, need to be securely fastened to the wall and should not be left dangling. All electrical outlets/sockets need to be covered with an appropriate wall plate. Nurse's Office- an electrical cover needs to be fastened to the wall, one of the light panels is cracked and it appears that loose wires are resting in the light panel.</p>
<b>Restrooms/Fountains:</b> Restrooms, Sinks/ Fountains		X	<p>The drinking faucet in Room 6 is loose. One of the sinks in the girls' restroom does not work and the wall behind the toilet needs repair. One of the sinks in the boys' restroom needs repair. A bucket is sitting under the sink to collect leaking water. The toilet stall has a curtain instead of a locking door. The drinking fountain outside the upper restrooms is inoperable. One of the sinks in the girls' restroom needs repair. One of the toilet stalls has a curtain instead of a locking stall door and the other stall door has a broken hinge. The middle sink in the boys' restroom does not work, there is no door on the toilet stall, and</p>

			there is a hole in the coving. The toilets and floors around urinals need to be thoroughly cleansed. The ceiling in the boys' restroom near the cafeteria is in disrepair. The cove base needs to be repaired or replaced. The walls are partially painted and one of the windows is cracked. One of the sinks does not work and the odor indicates that the restroom needs to be thoroughly cleansed.
<b>Safety:</b> Fire Safety, Hazardous Materials		X	In rooms 2 and 8 the filing cabinets and cubbies need to be anchored. Exterior paint is loose and peeling from the siding. Clorox wipes, Comet Cleanser, and disinfectant wipes were sitting out in several classrooms.
<b>Structural:</b> Structural Damage, Roofs		X	Exterior siding is in disrepair, peeling paint, loose boards, holes, and dry rot were noticed in multiple locations around the campus. Stains in nurse's lounge and teacher's lounge indicate roof leaks. Stains in windows of dried water indicate leaks.
<b>External:</b> Playground/School Grounds, Windows/ Doors/Gates/Fences		X	The rooms near the playground have weeds growing from the gutters and roof. The washing machine sitting in front of the building must be removed. The sidewalks are cracked, uneven, and weeds are growing in between the cracks. The sidewalks are slippery, and uneven as the surface layer of pea gravel is coming loose. Leaves, weeds, grass clippings and debris have accumulated around the building in corners and around doors. Some outdoor rugs need replacement as they don't lay flat and pose a trip hazard. A wooden bench on the sidewalk near the playground needs repair as it is not properly secured. Crumbling pavement and loose gravel create an uneven surface on the access path to the playground which poses a trip hazard.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

## 2020-21 Local Assessment Test Results in Math by Student Group

This table displays Local Assessment test results in Math by student group for students grades three through eight and grade eleven. LEAs/schools will populate this table for schools in cases where the school administered a local assessment. In cases where the school administered the CAASPP assessment, LEAs/schools will populate this table with "N/A" values in all cells, meaning this table is Not Applicable for this school.

\*At or above the grade-level standard in the context of the local assessment administered.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative testing suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

For any 2020-2021 data cells with N/T values indicate that this school did not test students using the CAASPP Science.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2021-22 Opportunities for Parental Involvement

Parental involvement at Sierra Primary School is always welcomed and encouraged. Parents are welcome in classrooms with prior arrangements to assist as well as on field trips and other class activities. Parent/ Teacher conferences are held at the end of the 1st trimester and scheduled on an on-going as needed. The school provides opportunities for families to visit school to celebrate student achievement through Open House, the Halloween Parade, the Fall Frolic Fun Night, Christmas Music Program, Literacy Night, Valentines Family Fun Event, Math Night, the Easter Egg Hunt, Spring Sing, and Art Night to name a few. Parents are asked to contribute ideas and/or concerns through surveys well as through the Site Council and Parent Advisory meetings which meets monthly. More parent/guardian participation is always needed.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

### Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

<b>Expulsions</b>	0.00	0.00	0.00	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

## 2021-22 School Safety Plan

All children, teachers, and administrators have the right to feel safe in their classrooms and school. The purpose of school is for children to learn—a task that can become difficult when students or faculty fear for their own safety or experience disruption in the classroom setting. Teachers are responsible to help their students learn and grow, but they also must handle classroom disruptions and ensure safety for all if an incident does occur. Every school in the Fort Sage Unified School District takes necessary precautions to ensure the safety of students, staff, and visitors. Staff and Administration are present at all breaks, lunch time, and extra-curricular activities to prevent safety problems from starting and to handle any issues that may occur. Security cameras are installed at the Ft. Sage/Herlong Learning Center.

Long before students even set foot on campus work begins on planning for a healthy, safe, and supportive learning environment. The School Safety Plan is currently under development in conjunction with recommendations from key agencies in the county. All staff members will be trained during in-service days in how to implement the School Safety Plan once it is finalized. Additionally, the district maintains a contract with Keenan and Associates to provide staff updated, mandatory online training on various aspects of a safe school. All teaching and office staff are certified in CPR and First Aid. Copies of crisis and emergency procedures are kept in each classroom.

New safety drills to prepare for emergencies which may include evacuation of the facility, fire, intruder, safety lock-down, and earthquake, will be rehearsed on a monthly basis once the safety plan is finalized. Staff and student responses and effectiveness of the drills will be reviewed with the appropriate agencies and school personnel. Updates will then be made to the Safety Plan as needed. We are working in conjunction with the school resource officers to be proactively prepared in the event of an incident.

The Director is responsible for on-going safety inspections and monitoring of facility systems at the Susanville Learning Center. The Head of Maintenance is responsible for on-going safety inspections and monitoring of facility systems at the Ft Sage/Herlong Learning Center. The Northern California Schools Insurance Group conducts an inspection every other year of all buildings and sites in the district. Fire extinguishers, fire suppression systems, and burglary alarms system are serviced at

## 2021-22 School Safety Plan

least once a year by certified technicians. Additionally, the district contracts with a licensed pest control company to keep the facility free of insects and rodents.

Every school employee is trained and prepared to take necessary precautions to ensure the safety of students, staff, and visitors. Students are supervised at all times to provide for student safety. All classrooms are equipped with phones. All visitors are required to check in at the office and a record is kept of any person who visits the campus.

The District contracts with Lassen County Probation Department for attendance monitoring as well as behavioral/law counseling. The District has close relationships with Lassen County Sheriff's Department and Child Protective Services.

## Professional Development

Fort Sage Unified School District and Sierra Primary School actively participate in Professional Development. The staff participates in Professional Learning Communities at least two times per month on scheduled early release days for the previous two school years. This year (2020-21) we implemented weekly teacher collaborative teams to review student achievement data focusing on the highly leveraged standards and quality Tier-1 instruction. The focus is on increasing student achievement. Staff frequently visit other schools and attend conferences to stay up-to-date on current instructional practices. Trainers and speakers are brought in to present strategies on topics such as Common Core, current curriculum updates, assessments, and interpreting data. Teachers attended summer academies which taught the highly leveraged standards, quality Tier-1 lesson planning, trauma informed decision making, social emotional learning, highly effective strategies for core content retention. through the use of neuroscience research-based activities. Training was also provided during Saturdays throughout the fall semesters for Google G+Suite to train teachers on the SAMR technology standards and how to implement them into daily lessons focusing on 21st Century Skills Learning.

In 2013/14 FSUSD began with the MAP assessment program. This program assesses each student's progress 3 times annually. The information can be used to guide instruction by identifying efficiency, strengths, and weaknesses.

The Superintendent/Principal performs on-going classroom observations. Also, an annual formal observation followed by a meeting in which written documentation is provided for each teacher by the Superintendent/Principal.

This table displays the number of school days dedicated to staff development and continuous improvement.

## 2020-21 Local Accountability Report Card (LARC) Addendum

### Local Accountability Report Card (LARC) Addendum

#### 2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.

## 2020-21 Local Assessment Test Results in Math by Student Group

This table displays Local Assessment test results in Math by student group for students grades three through eight and grade eleven. LEAs/schools will populate this table for schools in cases where the school administered a local assessment. In cases where the school administered the CAASPP assessment, LEAs/schools will populate this table with “N/A” values in all cells, meaning this table is Not Applicable for this school.
